Honorono, September 21st, 1985. A short time ago a case of habeas corpus was heard in the Supreme Court bere in relation to four Chinamen whom the Dutch Authorities had deported from Deli. The men were apparently a coal coolie, was found by the police being conveyed to Amoy in a Dutch steamer which called in at this port on the way, and here the friends of the deportees set in itarrived he had expired. There were no signs operation the machinery of the law to scenre their release, in which they were successful,. as the men were being detained in custody on a merchant vessel in British waters, without our courts. The Straits Times, in an article commenting upon the case, takes no exception to the decision of Mr. Justice Ackroyd! on technical grounds, indeed no such objection is possible, but our contemporary regrets the result on the ground of the annoyance it will probably have caused to the Dutch Authorities. Two of the men are two are also shortly expected in the Straits. | night. They were deported from Deli on the charge of baving been the ringleaders in some disturbances which occurred in connection with Secret Societies, and according to the Straits Times it was the intention of the Daton Aube handed over to the Chinese Authorities. Now if this statement is correct there can be] no question that the decision of the Hongthe Russian convicts who pass through on and a Japanese corvette. their way to Saghalien are, because they are have expressed regret that the intention was not carried out. They would have been squeezed as a matter of course, and having men who fall into the clutches of the manthe rendition of Chinese criminals from this colony to their own authorities, even although that necessarily means that the Chinese retaliate by refusing to surrender us criminals who have fled from Hongkong, so that crime is to some ex- on Wednesday morning. The Temperance Hall seems of late to have been the scene of anything but temperate proseedings. A week ago there was the shooting case there, and last Friday ascene occurred within work of George Bizet, and was finished and that fairly rivals the proverbial Donnybrook Fair. From what we can gather of the scrimmage, it seems to have originated in an order the manager, rid of the men it is their business to exercise Mr. Harris, gave to his Chinese servants not toallow certain property to be removed. A lady staying there endeavoured to remove the property, and to re-enger the country. The extreme cruelty got it lowered over a wall into the lane at the side of the building to take down to the Prays. but the boys detected the attempt, and brought capable of that eminent composer's highest it back into the entrance hall. At row flights. Bizet is said to have possessed naturally ensued in which some of the boarders joined, and the dispute soon merged into a free fight of a protty desperate character between them just that grip of the plot-power of seizing a offence by any regular court. "CARMEN" AT THE THEATRE

ROYAL.

On Saturday night the Emilie Melville Opera Company produced, for the first time in Hongkong, Bizet's celebrated opera "Carmen" before each of the four acts. The performance went off without a bitch, and was undoubtedly one of the most successful yet given by the Company. before the curtain by the audience.

"Carmen" was the last and by far the greates produced at the Opera Comique, Paris, three months before his death in 1875. The gifted composer died at the early age of 37. His previous operas had met with good success, but "Carmen" seemed at once to place him in eyes of opera goers almost on a level Gounod, though few musicians considered him balance and proportion. The plot is good and we cannot say) an important dramatic point

We note the arrival here, by the City of Rio | arena, makes his appearance. If he came forth de Janeiro, of Mr. E. > The Marquis Buenfanti, the celebrated explorer, and M. Casman, chief of the Equator station, have died on the Upper Congo. A correspondent of a Manchester paper draws

a rather lurid picture of the Sundays that are passed in Cottonopolis. He says that the day beings with the cries of the newspaper boys, which are followed successively by the jungle of the church bells, the trumpeting of picnic parties, the barking codogs, the drumming of the Salvation, Blue Ribbon, and Church, Armies: and, finally, the jangle of church bells again. There is only an occasional "interval for rest and refreshment." If all this be true, Manchester is musical indeed

A Russian paper, the Gazette of Siberia. publishes the following narrative, which it says trustworthy :-- "A little time ago the small town of Turukhausk, in the province of Yeniseisk, Eastern Siberia, was attacked by a hand of 200 Tunguees, who proposed to seize the powder factory in that place. The garrison, consisting of 20 soldier settlers, repulsed the attack, killing 120 of the Tunguses, and making prisoners of the survivors. The defenders lost three men killed and serveral wounded." The Gazette of Siberia has the courage to ask, after publishing this account, "how it was that the Tunguses. who are notoriously a gentle and well-behaved race, should have been driven to so violent an Orders have been received at Portamonth

directing the Polyphemus to carry out a series of trials, to form a sequel to her performances with the Evolutionary Squadron. She will consequently proceed next week to Portland, and will go through some elaborate gunnery and tornedo trials. A flotilla of wooden dummy torpedo boats are being built at Portsmouth, out that it was through the remonstrances of and these will be buoyed in such positions as Lord Ripon's Government against the Enstructions of Lord Hartington that the Pishin Valley the Polyphemus, going at the rate of 18 knots

QUEER CAT STORY. The domestic cat is not generally considered to have the intelligence of that "com-

panion of man" the dog, and, to judge from recent disclosures, many people would even deny it that of the common rat; but a cat story, which is told in all good faith by the Amy Turner Monongahela Republican, should go far to Annie H. Smith July raise the public opinion of the feline tribe. I: is the story of a hero cat belonging to one B. H. Steenken Aug. Taylor M.Farland, which was left alone in Bonnie Lassie Sept. 11 Chapman the house one cold night, while the rest of Rus Case the family went out to attend a meeting. In | Carea Ventura | Feb. 27 | Uresandi due course the good beople returned, and as | Caroline soon as Mr. M'Farland opened his fron tdoor, Ch'ron Kamrye July 29 Krag were surprised to see the cat come flying out | Comet into the snow, "where his motions excited Elward May such interest that his feet, being examined. were found to be blistered." Investigation Forchow in the parlour explained things. A live coal Fortune had "sparkled out" from the grate and set F. Penilleton the carpet on fire, and it was at once evident! Friederich that the cat had "clawed out the fire for a Heinrich considerable distance about the spot burned, leaving nothing but a centre of ends, charred Highlander and frizzled." The story can hardly be loubted, for Mr. M'Farland and his family were on this occasion returning from a

temperance meeting. JACK BOWLINE ON A BICYCLE. Jack proved to be an apt put I, and before Naupactus Seldom has a sharper repartee been utter- fifteen minutes had passed he headed his craft N.
